TEACHING EXPERIENCE:

Career and Life Planning Instructor

Spring 2007: for an undergraduate course, University of Utah, “Career and Life Planning”

- Taught weekly class material, implemented experiential exercises, and facilitated class discussions related to self-exploration, decision-making, and career exploration.
- Interpreted Strong Interest Inventory and MBTI profiles for students. Utilized creative examples to engage students. Held office hours to work one-on-one with students. Evaluated student performance.

Multicultural Issues Co-Instructor

Fall 2006: for an undergraduate course, University of Utah, “Introduction to Multicultural Issues: Understanding Self and Others.”

- Provided education regarding various ethnic and other diverse groups’ (e.g., individuals with disabilities, LGBTQ population) experiences in the United States, ethnic identity development, and white privilege.

- Developed lecture material, provided presentations, facilitated class discussions, evaluated student performance, organized panels, and invited speakers, within a shared teaching framework.

Research Design Instructor

Summer 2005 & Summer 2006: for a graduate level course, “Introduction to Research Design,” University of Utah taught twice in two 6-week increments.

- The course covered both quantitative and qualitative research designs and methods.
- Developed a syllabus, examined and established an appropriate textbook, conducted classes, developed lecture material, facilitated class discussions, and evaluated student performance.

Online Instructor

Summer 2004 – Fall 2004: for an online graduate level course, “Creating Optimum Learning Environments” in the Department of Teaching and Learning, University of Utah.

- Class focused on teaching students how to create an online or blended course utilizing learning and motivation theories.
- Tasks included developing syllabus, monitoring online performance and class web discussions, and evaluating student performance.

Research Methods Laboratory Instructor

Fall 1999 to Spring 2001: for undergraduate course, University of Colorado at Co. Springs.

- Provided lectures, helped to integrate a new grading system for student papers, facilitated class discussions, conducted classes, graded assignments and papers, and provided academic advising.

OUTREACH/ PRESENTATIONS:

Feminist Multicultural Counseling Workshop Presenter

October 2007: Four-hour Workshop provided to New Mexico Psychological Association (NMPA) Friday Forum for 4 continuing education cultural diversity credits. Topic: Feminist multicultural counseling: Introduction and overview.

Feminist Multicultural Group Counseling Guest Presenter

September 2007 & October 2007: for graduate level Group Counseling class and Brownbag Discussion at University of Utah’s Women’s Resource Center.

- Provided presentations regarding how feminist multicultural group counseling differs from traditional group counseling techniques with interventions and a case study illustration.

Counseling with Arab Americans Guest Presenter

March 2007: for University of Utah Counseling Center Staff Development Seminar

- Provided presentation regarding unique counseling needs for Arab Americans.

Overview of Arab Americans Guest Presenter

October 2006, March 2007, November 2008: for Multicultural Awareness classes

- Provided an overview of demographics, shared concerns, and experiences of discrimination, cultural values, and unique needs and concerns of Arab Americans in current U.S. society.

Sexual Assault Awareness Educator

August 2004 – May 2006: with Peers Educating to End Rape (PEER). University of Utah.

- Provided presentations and facilitated discussions in order to provide sexual assault awareness education to various groups on campus (e.g., student athletes, Greek, and other student groups).

Body Politics Radio Panelist

August 2005: on local NPR radio (KRCL) program, “Radioactive.” Salt Lake City, UT.

- Topic included body politics and plastic surgery. Spoke about how the phenomenon of plastic surgery is affecting today’s women and specifically, how women of color might be affected by the White standard of beauty.

Developer/Facilitator of “Take Back the Night”

April 2005: an event designed to increase awareness and inspire action against domestic violence and sexual assault. Salt Lake City, UT.

- Developed, designed, and facilitated all activities for the event
- Created ongoing collaboration with university and community organizations
- Solicitation of media coverage
- Presented a speech on the night of the event. Attendance was 100+ people.

Sexual Assault Speaker

April 2005: on two local NPR radio programs (KCPW & KRCL) and one local television evening news broadcast. Salt Lake City, UT.

- Topic included domestic violence and sexual assault.

Career Workshop Facilitator

June 2004: of a Career Decision Making Workshop for students, faculty, and staff at the University of Utah.

- Interpreted multiple assessments including the Meyers-Briggs Type Indicator and Strong Interest Inventory for workshop attendees
- Tailored the content of the workshop to meet the individualized needs of participants,
- Facilitated a discussion in order to aide in the career decision making of attendees

Cultural Diversity Invited Guest Presenter

September 2001 and September 2000: for an undergraduate community volunteer class at University of Colorado

- Presentation of a lecture on “Cultural Diversity in the Helping Field.”
- Lecture covered how to tailor one’s helping style to a culturally diverse population. Facilitated a discussion afterwards.

Developer/Facilitator: of “Take Back the Night”

Spring 2001: an event designed to increase awareness and inspire action against domestic violence and sexual assault. University of Colorado at Colorado Springs.

- Designed, developed, and directed all activities for the event. Solicited media coverage and participated in a local television evening news broadcast interview about the event.

RESEARCH EXPERIENCE:

Program Evaluation Assistant

Summer 2004 – May 2006: to Mary Burbank, Ph.D., University of Utah

- Program Evaluation of departmental programs and alliances with local school districts
- Conducted focus groups and survey research
- The 05-06 year also involved a Program Evaluation that included focus groups with and assessments of a partnership with a parent resource center called “Unidos por los Niños” or “United for Kids” through Comunidades Unidos. It is a program that is attempting to create an alliance between the University of Utah and the West Side of Salt Lake City, which is comprised primarily of low-income and Latino families, in order to provide resources for parent support, community development, multicultural leadership, and access to resources needed to pursue post-high school education.

Program Evaluator

Spring 2005: as part of a requirement for a Program Evaluation class, University of Utah

- Conducted a program evaluation of a pilot project for the Department of Children and Families (DCFS). The pilot project was the implementation of a new method of handling domestic violence cases that included safety planning and education for minimal-risk cases rather than a DCFS investigation.
- Evaluated the new program through investigation of documentation, checklists, client satisfaction questionnaires, meetings with DCFS staff, and interviews with case managers and community providers.

Research Assistant

Fall 2003 – Spring 2004: to Dr. Robert Hill, Ph.D. at University of Utah.

- Tasks included alumni contact and ongoing communication, web design, development of annual fundraiser, and other research and administrative tasks.

Research Assistant

Fall 2002 – Spring 2003: to Dr. Susan Morrow, Ph.D. at University of Utah.

- Tasks included literature reviews, involvement in a qualitative study regarding women with HIV, computer and library research, IRB proposals, and organization and editing of various papers.

Research Assistant

Fall 1999 – Spring 2001: to Dr. Daniel L. Segal, Ph.D. at University of Colorado

- Tasks included literature reviews, data entry, and data analysis using SPSS.

PROFESSIONAL PRESENTATIONS:
